

# GigaCloud Technology Inc Wins Stevie® Award for Achievement in Growth

June 11, 2024

## Marking the Second Consecutive Year of Stevie® Recognition

EL MONTE, Calif., June 11, 2024 (GLOBE NEWSWIRE) -- GigaCloud Technology Inc (Nasdaq: GCT) (“GigaCloud” or the “Company”), a pioneer of global end-to-end B2B technology solutions for large parcel merchandise, today announced its recognition as a Silver Stevie® Award winner in the “Achievement in Growth” category of the 2024 American Business Awards®.

This accomplishment marks the second straight year the Company has been honored with a Stevie® Award, underscoring its commitment to growth and innovation. Last year, GigaCloud received a Bronze Stevie® Award in the category of “Fastest Growing Company of the Year.” Other recipients of the Stevie® Awards include IBM, Samsung Electronics America, and Fidelity Investments.

“We are thrilled to be a Stevie® Award winner two years in a row for our robust growth trajectory,” said Larry Wu, Founder, Chairman and Chief Executive Officer of GigaCloud. “The award is a testament to our team’s dedication and innovation, as we continue to experience record growth across financial and operational metrics. More importantly, this success is indicative of our unique end-to-end solutions, providing a more sustainable and impactful global wholesale supply chain for big and bulky items.”

The American Business Awards® are the premier business awards program of the Stevie® Awards, recognizing outstanding performances in the workplace worldwide. The awards receive over 12,000 entries each year from organizations in more than 70 nations. GigaCloud was selected as a Silver Stevie® Award winner by a panel of more than 300 professionals worldwide in the three-month judging process.

### About GigaCloud Technology Inc

GigaCloud Technology Inc is a pioneer of global end-to-end B2B technology solutions for large parcel merchandise. The Company’s B2B ecommerce platform, which it refers to as the “GigaCloud Marketplace,” integrates everything from discovery, payments and logistics tools into one easy-to-use platform. The Company’s global marketplace seamlessly connects manufacturers, primarily in Asia, with resellers, primarily in the U.S., Asia and Europe, to execute cross-border transactions with confidence, speed and efficiency. The Company offers a truly comprehensive solution that transports products from the manufacturer’s warehouse to the end customer’s doorstep, all at one fixed price. The Company first launched its marketplace in January 2019 by focusing on the global furniture market and has since expanded into additional categories such as home appliances and fitness equipment. ### Forward-Looking Statements

This press release contains “forward-looking statements”. Forward-looking statements reflect our current view about future events. These forward-looking statements involve known and unknown risks and uncertainties and are based on the Company’s current expectations and projections about future events that the Company believes may affect its financial condition, results of operations, business strategy and financial needs. Investors can identify these forward-looking statements by words or phrases such as “may,” “will,” “could,” “expect,” “anticipate,” “aim,” “estimate,” “intend,” “plan,” “believe,” “is/are likely to,” “propose,” “potential,” “continue” or similar expressions. The Company undertakes no obligation to update or revise publicly any forward-looking statements to reflect subsequent occurring events or circumstances, or changes in its expectations, except as may be required by law. Although the Company believes that the expectations expressed in these forward-looking statements are reasonable, it cannot assure you that such expectations will turn out to be correct, and the Company cautions investors that actual results may differ materially from the anticipated results and encourages investors to review other factors that may affect its future results in the Company’s registration statement and other filings with the SEC.
