About GigaCloud Technology Inc

GigaCloud Technology Inc is a pioneer of global end-to-end B2B ecommerce technology solutions for large parcel merchandise. The Company's B2B ecommerce platform, which it refers to as the "GigaCloud Marketplace," integrates everything from discovery, payments and logistics tools into one easy-to-use platform. The Company's global marketplace seamlessly connects manufacturers, primarily in Asia, with resellers, primarily in the U.S., Asia and Europe, to execute cross-border transactions with confidence, speed and efficiency. The Company offers a truly comprehensive solution that transports products from the manufacturer's warehouse to the end customer's doorstep, all at one fixed price. The Company first launched its marketplace in January 2019 by focusing on the global furniture market and has since expanded into additional categories such as home appliances and fitness equipment.
