1. We note your response to prior comment 1. Given your response stating it is impracticable to accurately attribute revenues by country (which is expected to be rare), please tell us the specific aspects of providing this disclosure that are impracticable and explain in detail why each aspect is impracticable for each of the typically utilized allocation methods (e.g. by selling location, customer location, or the location to which the service is provided). If your impracticability assertion for one or more specific aspects surrounds excessive cost, please also demonstrate how you determined the cost would be excessive. Refer to ASC 280-10-05-5 and ASC 280-10-50-40.
